Dr. Keefe's Blueberry Plantations, Inc.

Grand Junction, Michigan

Fall 1942 Price List

We urge the use of two-year-old plants wherever possible. Your plantation will come into bearing two years earlier and you can also obtain your own cutting wood that much sooner. These two items will easily repay the cost of the plants. We can sell large vigorous plants of Rubel, Pioneer, Stanley and Jersey.

Cash before shipment or at time of delivery. F.O.B. Grand Junction.

We have the oldest and largest commercial planting of cultivated blueberries in the Middle West. Purchase your planting stock from us and receive the benefit of our experience. It is unwise to take a chance on unknown or questionable nursery stock, to set a plantation of blueberries that will last 75 to 100 years.
